All the news, information and upcoming offers at  
Secrets Medical Centre!

New team member!

We are announcing the arrival of our newest team member Dr Ai Ling! Dr Ai Ling is a Dentist with many years experience in the profession and is particularly brilliant at Invisalign treatment!

I am sure you will join us in wishing her a big Secrets welcome!

Our third surgery is almost ready! Over the past few months we have been working hard behind the scenes to get our new surgery ready. We have had the floor up, holes in walls, tubes and pipes running here there and everywhere! Finally, we have the dental chair fitted and almost ready for its first patient!

In 2024, we are also beginning our Employee Denplan scheme. This will allow Business owners to give their employees free dental check-ups and a discount on services. The best part is, businesses can claim the cost back!

We Just wanted to say a massive thank you to all of our valued patients who helped us with our pre-Christmas food bank drive, as we were able to collect 100s of food items that we donated to help those in need in the local area. We had such a good response from you that we will be keeping the donation point for the foreseeable future!

This year, Secrets Medical Centre is launching the 'Oral health for all' campaign in order to educate people about the importance of maintaining your oral health! We will begin by visiting primary schools in the local area. If you want your school on the list, let us know!
